

# One a Month

Adopted from Tara Wilson’s legendary training video, showing the power of personally enrolling one person per month and teaching them to do the same. This is part of Team Heart’s “*One Result Goal*” every single month.

To maximize the comp plan in LifeVantage, you want to produce \$200 a month in PV (personal volume) For example: that’s you on autoship for Protandim NRF2 plus having 4 customers on autoship for NRF2 as well. If you do this, and enroll 1 new distributor per month and teach them to do the same (\$200 a month in PV), and you work with them, launch their business, sit down with them, parties, calls, zooms, you name it, paint the vision.

If EVERYONE has a list of 100 names, all you need is one a month from that list...
